WHAT AFTER 12TH

- What are my career opportunities after the 12th? There are numerous courses after 12th. Depending upon the stream, viz arts, science or commerce. But how good these courses are for the student is what is important to know.
- For eg. An introvert aspiring to be a lawyer may not be the right thing to do. Or somebody whose study habit is that of avoiding a strenuous schedule may not be right for Medicine as a career. So, as you see, courses after the 12th need to be selected with great care and through proper methods. PRS Global Education offers the right methodology for career and course selection.

CAREER AFTER GRADUATION

- Academic paths have become very dynamic and intricate and a simple fault could send the entire prospect of the student into the doldrums. Therefore, career counselling and dedicated planning has emerged as the definitive and Sought-after escort.
- The concerned guardians, and also the students passing out from their middle school reach out for career counselling passages to get information about the latest career options.
- Often, students clearing their 12th enquire about 'what to do after graduation?' In the absence of authentic escort, they suffer from career confusion which could misguide the student's mind! Today, online career guidance is also available that does not require the student to travel to the professional. The specialized portals offer the best counselors and passages to reach out to them in real time!
- Actually, the career option after graduation has increased and there are many full-time courses after graduation that generate lucrative career prospects for the ambitious mind. The counselors behave as the objective guides!
